

Dear Chamber and Prospective Members:

2020 was a year like no other in recent history, from the Pandemic to the Presidential election, stock market volatility to lockdowns, or what was 'normal' to what is, for the time being, a 'new normal'. Through it all, your Chamber has been preparing to make sure whenever 'normal' arrives again, we are ready to move forward.

As you may have realized, our popular events like the Fish Fry, Back to School BBQ, Fair on the Square, Car & Truck Show, Veterans and Christmas Parades were cancelled due to the Pandemic. Thankfully we were able to celebrate, despite a few modifications, Independence Day via our ever-growing #BOOMFEST firework show. Also, prior to the lockdown we were able to hold our prestigious Annual Meeting. As many of you remember, we were privileged to host Former White House Counsel Attorney, Ty Cobb, to speak about his experiences during his time in Washington, D.C.

This event was intended to kick off a great year of community engagement for your local Chamber. Our hope was to bring everyone together to continue the momentum in building community pride. Pride in where we live, how we live, and most importantly, why we call this place home. Lyons pride remains a vital part of the Chamber Board's vision for what Lyons can be, and through partnerships with you, our Members, the City and County, we believe Lyons is on the upswing.

The Chamber Board is pleased to announce we are growing once again in 2021. We plan to hire a Chamber Service Representative to increase our level of service to you. Additionally, through our partnership with the City, we secured a physical office location, details soon to follow. This facility has many possibilities that could serve as another springboard for economic and entrepreneurial growth for our area.

Your membership is vital for our continued growth which allows our entire community to thrive. We invite you to join the Lyons Chamber of Commerce to help grow our community and the roaring Lyons spirit!

Thank you for helping us strengthen our community,

Lyons Chamber of Commerce Board of Directors
